## Cultural Routes for Sustainable Social and Economic Development in Mediterranean

Promoting policies and practices of sustainable tourism as a tool for the socio-economical development of territories while protecting and enhancing their environmental, historical and cultural heritages.

### ITALY

Sicily, communities along the Via Selinuntina, neighbourhoods of Sambuca di Sicilia and Castelvetro-Selinunte (Provinces of Agrigento and Trapani).

### JORDAN

Communities around less known historical and cultural sites in Aqaba area (Southern Jordan) and archaeological site of Umm Qais (Northern Jordan).

### LEBANON

Villages in the area of Jabal Moussa Biosphere Reserve, Mount Lebanon.

### PALESTINE

The extended area of Masar Ibrahim Al-Khalil from Beit Mirsim to Battir southern of the West Bank.
