## FAREWELL TO THE CRE@CTIVE PROJECT - A LOOK BACK ON ALMOST 3 YEARS OF INNOVATION!

Say goodbye to the EU-funded CRE@CTIVE project! On the 4th of October, this incredible journey came to a close, and in this video, we're taking a deep dive into the last three years of groundbreaking innovation, support, and unforgettable moments. The project has left an indelible mark on the intersection of innovation and traditional sectors, and we're here to celebrate its incredible journey.

Join us as we reminisce about the various events, initiatives, and funding that have catalyzed positive change during the life of the project. From game-changing conferences to empowering workshops, CRE@CTIVE was a driving force behind the transformation of both traditional and innovative sectors.

And let's not forget the heart and soul of this endeavour—the 16 subgrantees who showcased unparalleled innovation and creativity. Their contributions have not only inspired us but have also created a lasting impact on the world.
