To build cities that can meet their energy needs while minimizing their ecological footprint and achieving expected climate neutrality goal

PREPARATION

ISSUE

3 WATER

Intent:

To provide safe and reliable water services, manage water resources responsibly, and promote sustainability and resilience

PREPARATION

ISSUE

4 SOLID WASTE

Intent:

To provide a waste management systems that minimize waste generation, promote recycling and resource recovery, protect public health and the environment

PREPARATION

ISSUES

SMC

This panel features a dark blue background with a repeating pattern of white exclamation marks inside circles. In the center is a white circle with a multi-colored ring (shades of blue, teal, and green) around its perimeter. The word "ISSUES" is written in bold, dark blue capital letters in the center of the white circle. Below the circle is the SMC logo, which consists of a power button symbol (a circle with a vertical line) and the letters "SMC" to its right.
