# Application package with focus on eForm

ENI CBC Med Programme - Managing Authority  
Regione Autonoma della Sardegna

# eForm - Main objectives

- **Increase overall efficiency** of the selection procedure
- **Implement the Result Based Management (RBM)** at Programme and project level
- **Ensure consistency** among Programme objectives, priorities, results and indicators and project proposals
- **Support project compliance with the rules of the Call** by including alerts, checks, guidance etc.

# Result based management

## Key principles

**Partnership:** common benefits and recognition of the role of all partners

**Accountability:** all key actors are accountable for the results

**Continuous learning:** monitoring and evaluations are focused on measuring and assessing the performance of the project

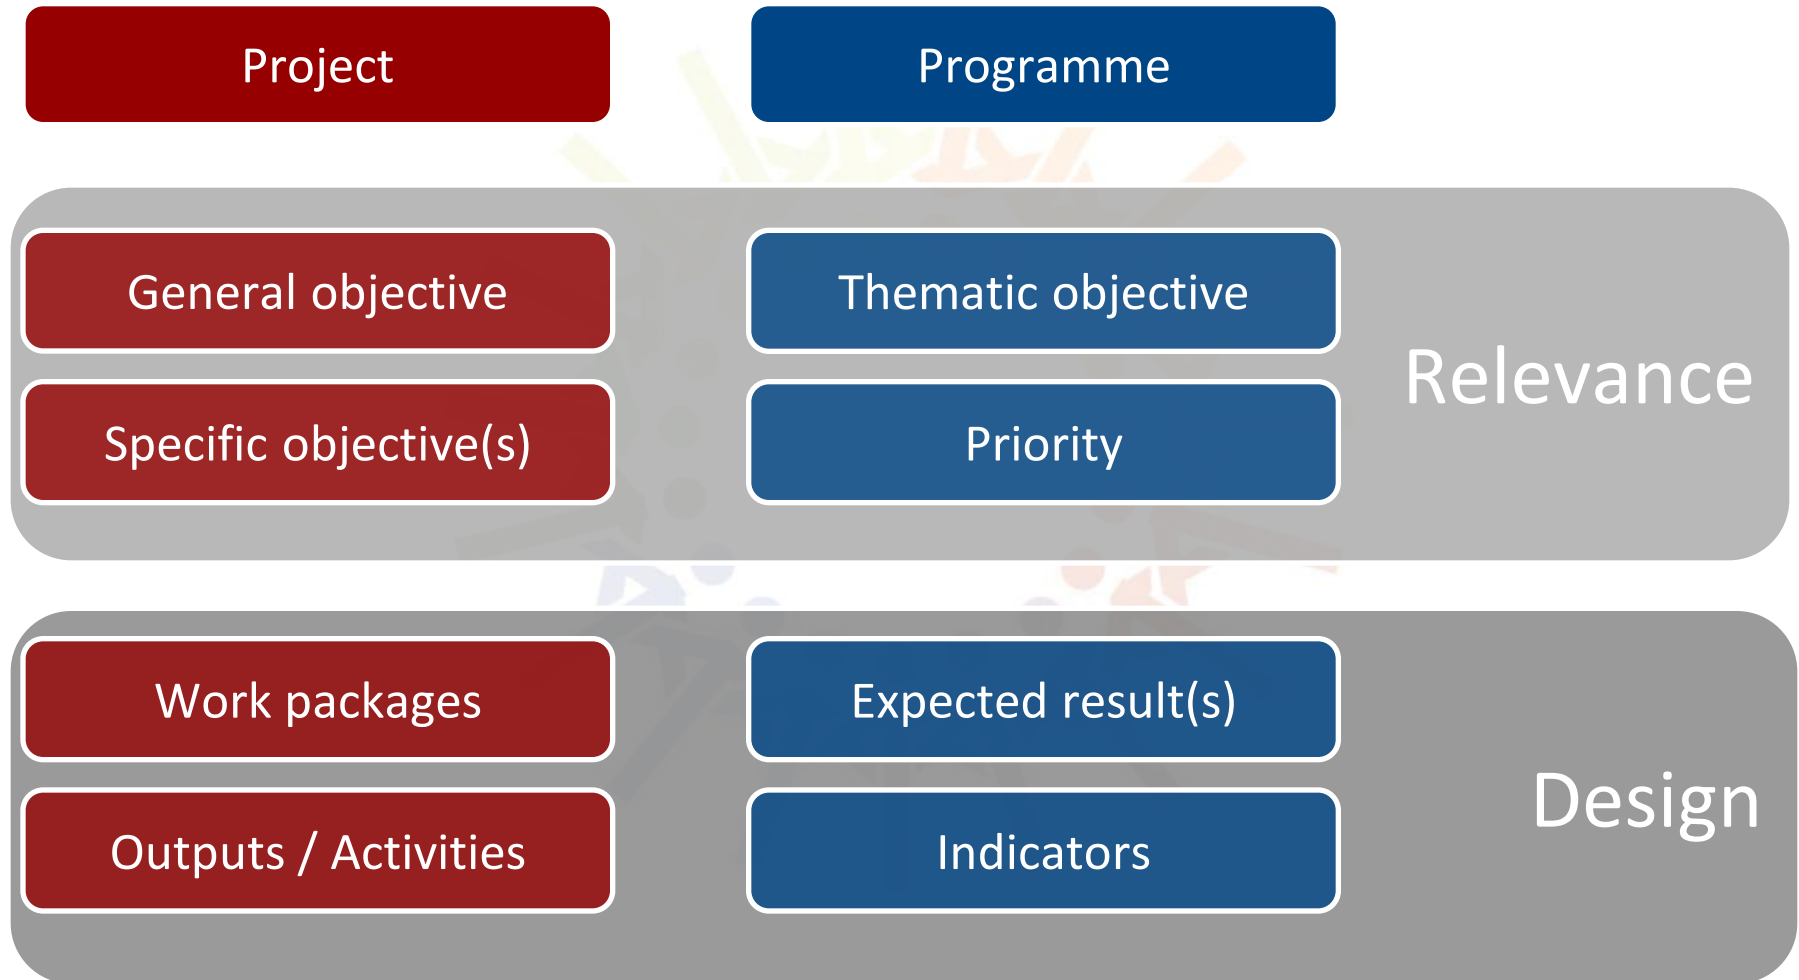

**Transparency :** reports on progress in achieving the results are available for all stakeholders, including setbacks, changes and modifications

**Simplicity:** better understanding of what is expected

**Flexibility:** changes in external conditions must be taken into account
