

Legambiente, Lead Beneficiary of the **COMMON** project, **ENI CBC MED** funded project, is looking for a **communication manager**.

Project description:

The COMMON project aims at applying the ICZM principles to the marine litter management, improving the environmental performance of 5 pilot coastal areas in Italy (2), Tunisia (2) and Lebanon (1), testing a model that could be transferred to the whole Mediterranean area. Thanks to an improved knowledge of the marine litter phenomenon, specific training and capacity building activities addressed to local and regional authorities, MPAs, Turtles Rescue Centres and citizens, thematic awareness campaign and material, targeted networking activities at basin level, COMMON project will engage local communities in incorporating marine litter management and disposal in coastal planning with the ICZM approach. The project specific objective is to enhance the capacity of public authorities in the 5 selected areas to plan for sustainable management, use and monitoring of marine litter sources, treatment and consequences, employing an effective participatory approach involving relevant stakeholders and local communities.

The main responsibilities of the Communication Manager will be the following:

- To develop a communication plan and strategy
- To manage the preparation of the communication kit
- To monitor the implementation of the communication activities
- To communicate scientific data and information through project channels
- To meet all the deadlines set
- To be responsible of all the activities and outputs foreseen in the WP2 "Communication"
- Optionally willingness to travel (both national and international travels)
- To coordinate the project communication of the entire consortium
- To be the reference person for the project partners concerning the communication activities
- To be the contact point for the ENI CBC MED Managing Authority concerning the communication issues
- To support the organisation of public event, such as press conference, both at local, national and international level

Qualification and Skills

- Master Degree in relevant topic
- Communication management
- Coordination skills
- Organisational skills (public events, workshops, forums)
- Social media management
- Press release writing
- Fluent in English, both spoken and written
- Knowledge of Arabic and/or French is an asset

Professional experience:

- Previous experience in coordinating international partnership

- Previous experience of communication management of international project funded by public funds, especially EU funds.
- At least 5 years of experience in communication/marketing/PR/social media management
- Proven expertise in communication plan and communication strategy development

Please send the CV besides at least 2 reference letter to: progetti@legambiente.it specifying *COMMON – Communication manager* in the email object.
