#### Event Description:

The Eastern Living Lab team led by WP6 leader the Arab Academy for Science, Technology and Maritime Transport (AASMT) project partner will be organizing roundtables for co-designing Technology Transfer and Innovation Initiatives and protocols with public and private companies to be validated in 2 pilot actions with stakeholders. The event aims at pointing out the needs and wants of various transportation companies and port workers such as truck drivers, crane operators and reach stackers/ forklift operators. Discussions will take place online through ZOOM at 11:00 am for trucking companies and 12:30 pm for Cargo handling companies.
