FOR EARLY STAGE BUSINESSES

Please, if available, attach your profit and loss account for the last available years in order to show the **economic feasibility of your business**. If you cannot provide the official profit and loss account, at least provide this information:

- Total sales
- Total expenses
- Overall result
- Profit margin (before taxes)
- Company sales growth from one year to another.

In case that you don't have a profit and loss account, or it does not represent the economic potential of your business due to its early stage, please share any documents or proofs demonstrating that the business will get profitable in the coming years.

(Maximum length 2000 characters without spaces).
