

Job vacancy: Lab technician position for candidates having bachelor's degree in process engineering

Location: Laboratory of Environmental Bioprocesses-Centre of Biotechnology of Sfax (CBS), Tunisia.

Position: Lab technician

Number of positions: 1

Call opens: May 12, 2022

Call closes: June 10, 2022

Description:

CBS is seeking a lab technician to work in the frame of the CEOMED project. In particular, the candidate will undertake a variety of laboratory procedures of technical nature. He/she will be handling equipment to analyze organic solid wastes and digestate samples from anaerobic bioreactors, conduct agronomic valorization experiments and report findings to project manager.

Requirements:

The candidate must have bachelor's degree in the field of biology or related fields with strong interest in environmental biotechnology. He/she must have experience in operating laboratory equipment and potentially dangerous substances (flammable liquids, infectious bacteria, biohazards etc.). The candidate must have basic knowledge of computer MS office (especially Excel).

Monthly salary: 800 TND

Contract time: 12 months

Steps to apply:

The call will be published on the website of CBS (www.cbs.rnrt.tn) and will remain open from May 12th 2022 to June 10th 2022. Candidates must submit their applications by post or hand them directly to the Order Office of CBS at the following address: Centre de Biotechnology de Sfax, Route Sidi Mansour Km 6 BP "1177" Sfax 3018.

Required documents for application: a detailed CV, a copy of academic certificates, a copy of number cards for years of university study, a copy of training certificates, training...

The selected candidate will sign the contract from June 15th 2022.
